[Approved by Governor April 6, 2002. Filed with
Secretary of State April 8, 2002.]

LEGISLATIVE COUNSEL'S DIGEST

SB 823, Poochigian. Local law enforcement funding.

Existing law establishes in each county treasury a Supplemental Law Enforcement Services Fund that receives from the Controller an annual allocation of state funds. Moneys from this fund are required to be allocated by the county auditor to the county, each city located within that county, and designated districts providing law enforcement services, in accordance with specified requirements. The moneys are allocated for, among other things, frontline law enforcement services and the implementation of a comprehensive multiagency juvenile justice plan. Existing law requires each county or city and county to report annually on those programs to the county board of supervisors and the Board of Corrections beginning August 15, 2001. Existing law requires the Board of Corrections to compile the local reports and make a report to the Governor and Legislature by January 15, 2003, and annually thereafter, as provided. Existing law also requires a county, city, or city and county Supplemental Law Enforcement Oversight Committee to submit data detailing and summarizing allocations to the Controller and provides that the county, city, or city and county shall forfeit its allocation if that data is not provided.

This bill would require the annual report on those programs to be made beginning October 15, 2002, and would prohibit the expenditure of allocated funds and interest thereon if that report and the data detailing and summarizing allocations are not submitted. This bill would require the Board of Corrections to compile the local reports and make a report to the Governor and Legislature by March 15, 2003, and annually thereafter.

The bill would declare that it is to take effect immediately as an urgency statute.

The people of the State of California do enact as follows:

SECTION 1. Section 30061 of the Government Code is amended to read:

30061. (a) There shall be established in each county treasury a Supplemental Law Enforcement Services Fund (SLESF), to receive all amounts allocated to a county for purposes of implementing this chapter.

(b) In any fiscal year for which a county receives money to be expended for the implementation of this chapter, the county auditor shall allocate moneys in the county's SLESF, including any interest or other return earned on the investment of those moneys, within 30 days of the deposit of those moneys into the fund, and shall allocate those moneys in accordance with the requirements set forth in this subdivision. However, the auditor shall not transfer those moneys to a recipient agency until the Supplemental Law Enforcement Oversight Committee certifies receipt of an approved expenditure plan from the governing board of that agency.

(1) Five and fifteen one hundredths percent (5.15%) to the county sheriff for county jail construction and operation. In the case of Madera, Napa, and Santa Clara Counties, this allocation shall be made to the county director or chief of corrections.

(2) Five and fifteen one hundredths percent (5.15%) to the district attorney for criminal prosecution.

(3) Thirty-nine and seven-tenths percent (39.7%) to the county and the cities within the county, and, in the case of San Mateo, Kern, Siskiyou, and Contra Costa Counties, also to the Broadmoor Police Protection District, the Bear Valley Community Services District, the Stallion Springs Community Services District, the Lake Shastina Community Services District, and the Kensington Police Protection and Community Services District, in accordance with the relative population of the cities within the county and the unincorporated area of the county, and the Broadmoor Police Protection District in the County of San Mateo, the Bear Valley Community Services District and the Stallion Springs Community Services District in Kern County, the Lake Shastina Community Services District in Siskiyou County, and the Kensington Police Protection and Community Services District in Contra Costa County, as specified in the most recent January estimate by the population research unit of the Department of Finance, and as adjusted to provide a grant of at least one hundred thousand dollars (\$100,000) to each law enforcement jurisdiction. For a newly incorporated city whose population estimate is not published by the Department of Finance but which was incorporated prior to July 1 of the fiscal year in which an allocation from the SLESF is to be made, the city manager, or

an appointee of the legislative body, if a city manager is not available, and the county administrative or executive officer shall prepare a joint notification to the Department of Finance and the county auditor with a population estimate reduction of the unincorporated area of the county equal to the population of the newly incorporated city by July 15, or within 15 days after the Budget Act is enacted, of the fiscal year in which an allocation from the SLESF is to be made. No person residing within the Broadmoor Police Protection District, the Bear Valley Community Services District, the Stallion Springs Community Services District, the Lake Shastina Community Services District, or the Kensington Police Protection and Community Services District shall also be counted as residing within the unincorporated area of the County of San Mateo, Kern, Siskiyou, or Contra Costa, or within any city located within those counties. The county auditor shall allocate a grant of at least one hundred thousand dollars (\$100,000) to each law enforcement jurisdiction. Moneys allocated to the county pursuant to this subdivision shall be retained in the county SLESF, and moneys allocated to a city pursuant to this subdivision shall be deposited in a SLESF established in the city treasury.

(4) Fifty percent (50%) to the county or city and county to implement a comprehensive multiagency juvenile justice plan as provided in this paragraph. This plan shall be developed by the local juvenile justice coordinating council in each county and city and county with the membership described in Section 749.22 of the Welfare and Institutions Code. If a plan has been previously approved by the Board of Corrections, the plan shall be reviewed and modified annually by the council. The plan or modified plan shall be approved by the county board of supervisors, and in the case of a city and county, the plan shall also be approved by the mayor. (iv) Programs identified in clause (iii) that are proposed to be funded pursuant to this subparagraph, including the projected amount of funding for each program.

(B) Programs proposed to be funded shall satisfy all of the following requirements:

(C) The plan shall also identify the specific objectives of the programs proposed for funding and specified outcome measures to determine the effectiveness of the programs and an accounting for all program participants, including those who do not complete the programs. Outcome measures of the programs proposed to be funded shall include, but not be limited to, all of the following:

(i) The rate of juvenile arrests per 100,000 population.

The board shall offer, and provide if requested, technical assistance to any county or city and county that submits a plan or modified plan not in compliance with the requirements of this paragraph. The SLESF shall only allocate

funding pursuant to this paragraph upon notification from the board that a plan or modified plan has been approved.

(E) To assess the effectiveness of programs funded pursuant to this paragraph using the program outcome criteria specified in subparagraph (C), the following periodic reports shall be submitted:

(i) Each county or city and county shall report, beginning October 15, 2002, and annually each October 15 thereafter, to the county board of supervisors and the Board of Corrections, in a format specified by the Board of Corrections, on the programs funded pursuant to this chapter and program outcomes as specified in subparagraph (C).

(ii) The Board of Corrections shall compile the local reports and, by March 15, 2003, and annually thereafter, make a report to the Governor and the Legislature on program expenditures within each county and city and county from the appropriation for the purposes of this paragraph, on the outcomes as specified in subparagraph (C) of the programs funded pursuant to this paragraph and the statewide effectiveness of the comprehensive multiagency juvenile justice plans.

(c) Subject to subdivision (d), for each fiscal year in which the county, each city, the Broadmoor Police Protection District, the Bear Valley Community Services District, the Stallion Springs Community Services District, the Lake Shastina Community Services District, and the Kensington Police Protection and Community Services District receive moneys pursuant to paragraph (3) of subdivision (b), the county, each city, and each district specified in this subdivision shall appropriate those moneys in accordance with the following procedures:

(1) In the case of the county, the county board of supervisors shall appropriate existing and anticipated moneys exclusively to provide frontline law enforcement services, other than those services specified in paragraphs (1) and (2) of subdivision (b), in the unincorporated areas of the county, in response to written requests submitted to the board by the county sheriff and the district attorney. Any request submitted pursuant to this paragraph shall specify the frontline law enforcement needs of the requesting entity, and those personnel, equipment, and programs that are necessary to meet those needs. The board shall, at a public hearing held in September in each year that the Legislature appropriates funds for purposes of this chapter, consider and determine each submitted request within 60 days of receipt, pursuant to the decision of a majority of a quorum present. The board shall consider these written requests separate and apart from the process applicable to proposed allocations of the county general fund.

(2) In the case of a city, the city council shall appropriate existing and anticipated moneys exclusively to fund frontline municipal police services, in accordance with written requests submitted by the chief of

police of that city or the chief administrator of the law enforcement agency that provides police services for that city. These written requests shall be acted upon by the city council in the same manner as specified in paragraph (1) for county appropriations.

(3) In the case of the Broadmoor Police Protection District within the County of San Mateo, the Bear Valley Community Services District or the Stallion Springs Community Services District within Kern County, the Lake Shastina Community Services District within Siskiyou County, or the Kensington Police Protection and Community Services District within Contra Costa County, the legislative body of that special district shall appropriate existing and anticipated moneys exclusively to fund frontline municipal police services, in accordance with written requests submitted by the chief administrator of the law enforcement agency that provides police services for that special district. These written requests shall be acted upon by the legislative body in the same manner specified in paragraph (1) for county appropriations.

(d) For each fiscal year in which the county, a city, or the Broadmoor Police Protection District within the County of San Mateo, the Bear Valley Community Services District or the Stallion Springs Community Services District within Kern County, the Lake Shastina Community Services District within Siskiyou County, or the Kensington Police Protection and Community Services District within Contra Costa County receives any moneys pursuant to this chapter, in no event shall the governing body of any of those recipient agencies subsequently alter any previous, valid appropriation by that body, for that same fiscal year, of moneys allocated to the county or city pursuant to paragraph (3) of subdivision (b).

(e) Funds received pursuant to subdivision (b) shall be expended or encumbered in accordance with this chapter no later than June 30 of the following fiscal year. A local agency that has not met this requirement shall remit unspent SLESF moneys to the Controller for deposit into the General Fund.

(f) In the event that a county, a city, a city and county, or a qualifying special district does not comply with the requirements of this chapter to receive an SLESF allocation, the Controller shall revert those funds to the General Fund.

SEC. 2. Section 30063 of the Government Code is amended to read:

30063. (a) The Supplemental Law Enforcement Services Fund (SLESF) in each county or city is to be expended exclusively as required by this chapter. Moneys in that fund shall not be transferred to, or intermingled with, the moneys in any other fund in the county or city treasury, except that moneys may be transferred from the SLESF to the county's or city's general fund to the extent necessary to facilitate the

appropriation and expenditure of those transferred moneys in the manner required by this chapter.

(b) Moneys in a SLESF may only be invested in safe and conservative investments in accordance with those standards of prudent investment applicable to the investment of trust moneys. The treasurer of the county and each city shall provide a monthly SLESF investment report to either the police chief or the county sheriff and district attorney, as applicable.

(c) Each year, at least 30 days prior to the date of the duly noticed public hearing required pursuant to paragraph (1) of subdivision (c) of Section 30061, the county auditor and city treasurer shall detail and summarize allocations from the county's or city's SLESF, as applicable, in a written, public report filed with the Supplemental Law Enforcement Oversight Committee (SLEOC), the county board of supervisors, or the city council, as applicable, for the entirety of the immediately preceding fiscal year, and the county sheriff or police chief, as applicable.

(d) A summary of the annual reports required in subdivision (c) shall be submitted in a standardized format to be developed by the Controller, in conjunction with the California District Attorney's Association, California Police Chief's Association, California State Sheriff's Association, California Peace Officer's Association, California County Auditor's Association, and California Municipal Treasurer's Association, by each SLEOC to the Controller on or before October 15, 2001, and each year thereafter. The Controller shall make a copy of the summarized reports available to the Governor, the Legislature, and the Legislative Analyst's office.

(e) By March 1 of each year, the Legislative Analyst's office shall report to the Legislature on the types of expenditures made by local law enforcement agencies in the previous fiscal year pursuant to this chapter, and, to the extent feasible, on the effects of those expenditures on law enforcement and public safety.

(f) A county, a city, or a city and county that fails to submit the data required pursuant to subdivision (d) of this section or to report as required pursuant to clause (i) of subparagraph (E) of paragraph (4) of subdivision (b) of Section 30061 shall not continue to expend funds allocated pursuant to subdivision (b) of Section 30061 or interest earned pursuant to subdivision (b) of this section until that data and that report are submitted as required by this chapter.

(g) Notwithstanding subdivision (f), if the Supplemental Law Enforcement Oversight Committee (SLEOC) fails to transmit the data to the Controller required pursuant to subdivision (d), the local law enforcement agency may submit its expenditure data directly to the Controller no later than 15 days after the date specified in subdivision (d). If the local law enforcement agency has complied with other

requirements in this chapter, it may continue to expend funds allocated and interest earned pursuant to this chapter.
